

make your own PIRATES

materials

- Cardstock paper (for printing)
- Paper Straws (2 per pirate. buy colors & patterns you like!)
- Pipe Cleaner (1 per pirate)
- Tape
- Scissors
- Crayons/Markers
- Googly Eyes (optional)

instructions

1. Print on cardstock. Color & cut out pirate heads and other items you like.
2. Tape each head to a straw.
3. Wrap the pipe cleaner around the straw to create arms.
4. Cut the second straw to the length of each arm and slip over pipe cleaner.
5. Leave as is or tape on any extra decorations you like—some are provided, but get creative. For example, add a googly eye!

make your own PIRATE SHIP

materials

- Cardstock paper (for printing)
- 12" Wood Dowel
- Paper Berry Basket
- Tape
- Double-sided tape or glue
- Hole punch
- Scissors

instructions

1. Print on cardstock. Color & cut out pirate flag & sail.
2. For pirate flag: fold in half around the top of dowel rod. Adhere with double-sided tape or glue.
3. For sail: punch holes on the marked Xs. Slide onto dowel.
4. Place berry basket face down. Slide dowel into one of the slits in the basket. Tape on the inside to keep in place.
5. Decorate berry basket or leave as is.
6. Cut slits in the shape of an x on top of berry basket for your pirate(s)! No tape needed to keep them in place and allows the pirates to go in and out so kids can play with them.
