

# fabric snowman PATTERN

Tonality  
-DESIGNS-

This is how the fabric snowman looks assembled. Use a white pom pom for the top of the hat. Sew French knots using black embroidery thread for the eyes and buttons. If making a 4" x 6" picture, place on a 4" x 6" piece of fabric and trim down excess fabric. For complete instructions, visit [www.tonalitydesigns.com](http://www.tonalitydesigns.com).
